BOSTONIANS TO

Chamber of Commerce Committee Will Call Upon South American Diplomats.

LONG TOUR IS PLANNED

Fifty New England Business Men Will Make Extensive Trip Through Southern Continent.

A Boston Chamber of Commerce committee, which came to Washington to make final preparations for a tour of South America, will visit Secretary of State Bryan and diplomatic representatives of the South American republics today.

The tour, the first of its kind ever made by business men of the United States through South America, has won a great deal of commendation, and is regarded as of especial importance in view of the expected policies of the new administration toward the Latin-American countries. The visiting committee is composed of Col. Henry L. Kinkaid, chairman; Robert J. Boston, Jr.; Herman L. Dillingham, and John P. O'Connell. They were shown their way about the Capital by Frank L. Peckham, formerly of Boston.

Director General John Barrett, of the Pan-American Union, who has taken an active and helpful interest in the tour, arranged for the calls of the New England men upon the diplomats of the South American republics. Minister Calderon, of Bolivia; Minister Suarez, of Chile; and Minister Peset, of Peru, received the visitors yesterday afternoon.

Conferences will be held to-day with the Ambassador from Brazil and the Ministers from Panama, Argentina, and Uruguay.

Senator Lodge of Massachusetts will present the party to Secretary Bryan to-day.

Representative Peters of Massachusetts entertained the visiting committee at luncheon at the Metropolitan Club yesterday.

The tour to be made includes visits to Kingston, Jamaica; Colon and Panama, in Panama; Buenaventura, Colombia; Callao, Lima, Moledo, and Arequipa, in Peru; La Paz, in Bolivia; Arica, Iquique, Antofagasta, Coquimbo, Valparaiso, and Santiago, in Chile; Buenos Aires and Rosario, in Argentina; Montevideo, in Uruguay; Santos, San Paulo, Rio de Janeiro, and Bahia, in Brazil; Port of Spain, in Trinidad, and Bridgetown, in the Bahamas.

The party representing the Boston Chamber of Commerce will comprise fifty persons. They will leave Boston April 22 and return July 2.

MOTORISTS CAUGHT IN NET.

Hyattsville Constable Still Seeks to Be on the Job.

Eleven Baltimore motorists appeared before a justice of the peace at Hyattsville yesterday and each was assessed \$5 and costs, amounting to \$75 in all, for violating the State speed limit for machines within incorporated towns. They were Emanuel Strauss, Dr. T. E. Butcher, Walter Scott, Zell Motor Car Company, Charles Auto Company, Carroll P. Chevoct, W. B. Swindell, W. P. Harvey, Dr. L. H. Gundry, Relay; Lenox Taylor, and Jacob A. Rice.

Five of those summoned failed to appear, and Justice Moffatt will send an officer with the warrants to Baltimore, when the defaults will be arrested and turned over to the authorities of Prince George County. The cases resulted from speeding inaugurations day, when nearly 1,500 machines passed through Hyattsville on route to Washington.

Deputy Auto Commissioner J. J. McCarthy has established a systematic patrol of the Washington-Baltimore Boulevard and declares he purposes to break up fast driving.

PROPERTY GOING FAST.

Collector Rogers Disposed of Nearly One Thousand Lots Yesterday.

Between 900 and 1,000 parcels of land were disposed of by Charles C. Rogers, tax collector for the District, at his frequent tax sale yesterday. Throughout the hours of the sale the office set apart for this event were filled with prospective purchasers.

The sale has been unusually successful this year in drawing customers, and the tax collector does not believe many parcels of land will remain for purchase by the District. Each purchaser must pay the full amount of his bid within five days after the last day of sale.

TO CURE CONSTITUTION.

Don't do the system with a lot of dangerous habit-forming drugs. Physicians everywhere are now prescribing Hoff's Lemon Seditive, the good-tasting health powder. All druggists sell it.

M. I. WELLER INDORSED.

Anacostia Association Wants Him Appointed Commissioner.

M. I. Weller was endorsed by the Anacostia Citizens Association last night for membership on the Board of Commissioners for the District. The members consider him well fitted for the position.

A committee was appointed to make arrangements for a contest in which prizes will be given for the best kept lawns in Anacostia.

A resolution was passed commending the Commissioners for the interest they have taken in the construction of sewers on the other side of the river. Committee assignments for the ensuing year were made.
